VENTURA RESIDENTS & HOUSEHOLD HAZARDOUS WASTE

Household Hazardous Waste (HHW) Collection Events are held monthly*. These **FREE** events are for City of Ventura residents **ONLY**. For an appointment time, call 652-4525 weekdays between 8 am and 5 pm prior to an event.

***An HHW event will NOT take place in December.**

Remember, it is ILLEGAL to put any type of hazardous waste in the trash.

Regularly scheduled HHW events offer Ventura residents the opportunity to dispose of HHW items properly and avoid the risks associated with stockpiling and improper storage. Accidents due to spills or fires are often fatal.

Typical Household Hazardous Waste includes used or contaminated motor oil and gasoline, pesticides and fertilizers, paints, thinners and lacquer, pool supplies, non-mind altering drugs, cosmetics, etc. (see more complete listing in next panel).

Thanks to your dedication to a clean and healthy Ventura, over 200,000 lbs. of household hazardous waste are properly collected and disposed of each year.

VENTURA RESIDENTS ONLY

Limit 15 gals. or 125 pounds of household hazardous waste per visit.
